Something for Everyone!!

Located on Mirror Lake in beautiful downtown Camrose this facility houses two art studios, a dark room, a board room, a recital hall, and two dance studios.

The City of Camrose oversees the operation of the Chuck MacLean Arts Centre in order to provide space that is conducive to the promotion, continuance and support of the arts groups housed there.

The Chuck MacLean Arts Centre (CMAC) was built in February, 1996 through a cooperative effort between the Camrose Arts Society, Wildrose Co-op, and the City of Camrose.

The centre also owes its existence to the generous donations of several clubs, organizations, grants and individuals
